King's Property: Paranormal Shape Shifter Alpha Male Cage Fighter Werelion Romance (Shifter Fight League Book 2)

Synopsis

Her debt means the King owns her body... her heart is a different matter. Or is it? In order to pay off her debt, Zara shares cagefighter Logan Reese's bed...or rather a wall in the locker rooms or the back seat of the alpha werelion's limo, since actual beds don't feature large in their arrangement. She tells herself it's just business, that she's not his property, not really. It's just a short term arrangement. She doesn't want more. Honest. She's his. End of story. King of the Ring, Logan Reese, knows two things. The curvy little female is more cat than she appears, and she's all his... He'll take her, and keep her, any way he can....Fair Warning: This is a raunchy little shortie that contains one hot as hell werelion using any excuse to get his hands on the sexy, curvy woman he wants. It does not end in a HEA (at the moment) but does have hot changing room sex (and in a limo)

Title: King's PropertySeries: Shifter Fight LeagueDesignation: Book Two of Serial, NOT a Standalone, Cliffhanger AheadAuthor: Mina CarterMy Rating: Five Purrrr-fectly Sinful Stars*****All Hail the King! Mina Carter knocked it out of the park - AGAIN - with King's Property, the second release in her riveting new Shifter Fight League serial. And yes, I said serial so that means multiple

installments and cliffhangers ahead but never fear, folks, she never leaves her readers hanging for long! I've been a diehard Mina Carter fan for years and never tire of reading her always imaginative storylines and highly addictive prose. I know before I read the first page, I'm guaranteed a mind-blowing read. Carter never fails to deliver a well crafted, fast-paced, delightfully entertaining story filled to the brim with heated attraction, fiery passion, steamy sex, dreamy romance and swoon-worthy characters. And In Debt to the King is no exception. I've never found another author who could pack so much wickedly delicious goodness into one sexy short. I loved it! So, sit back, buckle up and get ready for another wild ride! Zara Hunter may not be a lion shifter like her brother Kylan but of the two, she was way more dangerous, especially when she's mad and she's pretty darn angry. Maybe it was a good thing the shifter gene had skipped right over her. Dear old dad, owner of the The Scarlet Moon Fight Club, has left the building....as in run off with his main squeeze who just happened to be his secretary and left Zara and Kylan holding the bag....an empty bag! Now, they have no way to pay the protection money owed to Logan Reese, lion shifter and reigning champion of the Shifter Fight League, who just happens to be King of the Ring. Oh no!
