Sweet Talk (Bakery Sisters Book 2)

Synopsis

Is there anything sweeter than first love? Don't ask Claire Keyes. The twenty-eight-year-old piano prodigy has never had a regular boyfriend, much less a real romance. Her music career has left little room for friends or family; which is just part of the reason she hasn't seen the family bakery or her two sisters in years. But now Nicole is sick, and Jesse is AWOL. Despite the fact that Claire can't boil water, she's determined to play caretaker. Connecting with her sisters tops her to-do list; along with falling in love, or at least in lust, for the first time. Ruggedly sexy Wyatt just might fit the bill. Although he keeps saying that he and Claire come from entirely different worlds, he lights up hotter than a bakery oven whenever Claire is near. If this keeps up, she just might sweet-talk him into her bed; and her life.

Customer Reviews

Child prodigy turned world renowned pianist Claire Keyes receives a distressing call from her estranged sister Jesse advising that her twin Nicole needs her assistance after surgery. Claire hasn't talked with either sister for years, but a bout with panic attacks and a chance at reconciliation has her packing her bags and heading to Seattle. As a young child, she was plucked from the

comfort of her family to perform in concerts all over the world. When she was 12, her mother joined her on the road, and Nicole has never forgiven Claire for taking their mother from them - especially when their mother dies in a car accident when they are 16. Despite attempts at reconciliation, Nicole has rebuffed her for years. No one is more surprised than Nicole when Claire arrives to take care of her and won't take no for an answer. Nicole is also nursing a broken heart after catching her soon-to-be-ex-husband in bed with youngest sister Jesse. Nicole's best friend Wyatt instantly takes a dislike to Claire due to all the nasty stories he has heard about her. But soon his attitude changes as he gets to know Claire and starts to desire her. Thinking that they will just have a quick physical relationship, he is not prepared for the depth of his feelings, particularly her relationship with his deaf daughter, Amy. Will Nicole and Claire be able to bury the hatchet and forgive each other? Will Wyatt be able to give his heart to another after being trampled by his ex-wife? Mallery's first foray in the Keyes sister trilogy is a sweet tale. While so many authors opt to have a virginal heroine, none have handled a heroine's introduction into womanhood (I can't think of any other way to put it) as sensitively and realistically as Mallery does with Claire.
