A Midsummer Night's Dream (Calla Editions)

Synopsis

William Heath Robinson was part of a family of artists that included brothers Thomas and Charles. Possibly his finest achievement as an illustrator is *A Midsummer Night's Dream* – a book meticulously and marvelously designed. From the half title, frontispiece, and exquisite title page, to the playful two-page spread that closes the book, this is a treatment of the play that will surprise and delight the eye on nearly every page. There are 12 full-page color plates, but it is the sumptuous variety of Robinson's black-and-white illustrations – 32 full-page, along with plentiful vignettes – that makes this book the ultimate graphic presentation of Shakespeare's most beloved play.

Book Information

Series: Calla Editions

Hardcover: 224 pages

Publisher: Calla Editions; Reprint edition (September 14, 2011)

Language: English

ISBN-10: 160660015X

ISBN-13: 978-1606600153

Product Dimensions: 8.7 x 1.1 x 11.2 inches

Customer Reviews

I have been collecting the Calla Editions' books since 2009. My first purchase was *Tales of Mystery and Imagination* (Calla Editions) and I was so impressed with the quality (wonderful illustrations, superior binding, etc.) that I began collecting the Calla books. Each and every book has been a delight, and not only have these books enhanced my home library, they have been a joy to peruse and read over and over again. Aside from the beautiful bindings, Calla Editions are also distinguished by the superior quality illustrations by renowned illustrators such as Arthur Rackham, Kay Nielsen, Chris Van Allsburg, etc. In Calla Editions' *A Midsummer Night's Dream*, the illustrations are by W. Heath Robinson. W. Heath was part of an illustrious family of illustrators which also comprised Thomas and Charles. In this volume, W. Heath Robinson's magical

illustrations are found not only throughout the book, but also on the half title, frontispiece, title page, etc. There are twelve color plates which evoke all the fantastic imagery of one of Shakespeare's most popular plays, as well as the thirty-two full page black and white illustrations accompanied by quotes from the play. This is indeed a treat for fans of Shakespeare's works as well as those who appreciate a fine, heirloom quality book.

Bought this Calla edition of "A Midsummer Night's Dream"... twice -- first time, upon opening the book the binding that holds the pages became unglued from the spine -- completely -- returned and tried another and the same thing -- quite disappointed as you can imagine...but I figure that after two exact same defects, must be a production/batch issue. 5 stars for paper material, illustrations, as Calla editions deliver in this department -- the problem would be with the binding/construction which gets a 1 star -- maybe they didn't actually try to open their books to see how the spines perform? I've checked other Calla editions and this issue seems limited to this title & also "A House of Pomegranates" -- beware of this potential issue if ordering these two books.

My favorite book written by Shakespeare. The book was bigger than I thought but still a beautiful cover and I liked the illustration inside the book.

Beautiful book, good price. I love the illustrations, both black and white and the color ones. I had no problems with the delivery.

Some of the finest illustrations ever in a beautiful book.
