Customer Reviews

Really cool book. I collect vintage text books, art books, and medical texts, both for the subject matter, as well as the quality of the paper and typefaces, as well the illustrations. This enormous book is beautiful, has 785 very cool illustrations, but also, as an acupuncturist who specializes in the treatment of pain with dry needling and Classical Chinese medicine, [...], i have found this book an excellent reference for the physiology, psychology, and anatomy of pain conditions from neuralgias to disc herniations.
