# Reglas En La Escuela (Rules At School) (Spanish Version) (Nonfiction Readers) (Spanish Edition)

## Synopsis

No running. Raise your hand. Take turns. Use inside voices. Following rules at school is very important. Featuring vivid photographs showing children following rules at school -- and some not following rules -- this book engages children with key words to focus on and allows them to use oral language skills to create a story on their own about following rules by observing what they see in the photographs.
