Lettres D'une Peruvienne (MLA Texts & Translations) (French Edition)

Synopsis

One of the most popular works of the eighteenth century, *Lettres d'une Pâruvienne* appeared in more than 130 editions, reprints, and translations during the hundred years following its publication in 1747. In the novel the Inca princess Zilia is kidnapped by Spanish conquerors, captured by the French after a battle at sea, and taken to Europe. Graffigny's brilliant novel offered a bold critique of French society, delivered one of the most vehement feminist protests in eighteenth-century literature, and announced--fourteen years before Rousseau's *Julie, or the New Eloise*--the Romantic tradition in French literature.

J'ai lu ce livre deux fois dans deux cours diffÃ©rents et il est devenu un de mes livres prÃ©fÃ©rÃ©s. Ce livre m'a beaucoup Ã©mue et je pense que la lutte pour l'indÃ©pendance contre ceux qui pensent nous faire de bien est toujours trÃ¨s pertinente.

Great feminist literature. Would highly recommend, although slightly difficult to read as it's older French. Wouldn't recommend for new French speakers.

Great book! Not too difficult to read for intermediate French and the print is a reasonable size. The introduction is also interesting.

IN FRENCH: surprising love story between two descendants from the Incas, taken to France in colonial times & integrated into French culture. fascinating!
