Ravenfrost (The Raven Saga Book 2)

Synopsis

Lethal politics, chaotic magic, and greed toss Sienna and Alex into one complication after another, threatening to thrust them forever apart. Powerful factions from all sides, race across the Realm of Meard, plotting to control the Chosen One, Sienna. Whatever choices the young elves make now, War will inevitably rain death and destruction upon all that they cherish. Faced with such impossible decisions, Sienna struggles between her heart's desire and her conscience, but time has run out. Winter is here and an ancient creature awakens once again. More dangerous than any nation, it vows to destroy the Fire Tamer and all who would stand in its way. The FROST is coming...

Customer Reviews

This is a great follow-up to Ravenfire. From the moment I got it I couldn't put it down (which is how I felt about Ravenfire). I highly recommend this book (and book 1) to anyone that loves the fantasy genre. I can't wait to see what other exciting stories come from Meard!
