Customer Reviews

I strongly advise readers to start with the series first book - Bride of Paradise THEN be sure to read this one! The author sets you up so well for the next book, thanks! In this book, you find out about

paralyzing shyness and how often it can be misunderstood. Human nature is so abundant here and yet when you add Godly principles, amazing how it works. I especially like when this bride was given an 'out' for her behavior she doesn't take it but stays humble. This quiet unassuming bride is allowed to grow and be herself. Love that they reunite with characters from the first book!! LOVED IT!!!

This book was a pleasant read but lacked any kind of turmoil. In other words it was extremely predictable and cliché. That sounds negative. But it's just meant to state the simpleness to every aspect of this story. I wish the characters had been a little more three dimensional so that I had been more invested in their story.

Overcoming issues in one's life is difficult. Yet having the love of a good person and God's grace makes a good story. I love Mail Order Ministers series. The people are real and the struggles are human. Great series, easy read and wonderful characters.

I enjoy reading the Mail Order Bride Books. I liked this one because it was about this minister. It is good to have books like this about romance and love that are clean stories to read and that are centered in the love of God. It had good lessons and morals to live by.

This was a very sweet love story. Ida is the oldest of 5 children and her mother is expecting again. Her parents tell her it is time to marry as they will no longer have room for her. She writes to a Pastor and decides to move away to marry him.

I love this series, I started with book 1 and went thru to 7, sad there are no more. They were all sweet, heartwarming stories. Love how they progress thru the generations. I then went to the author's page and read her other series.

Book two of the Minister series will not disappoint you I promise! I loved watching Ida grow more confident as her love grew for her new husband, home and friends!! A truly beautiful story filled with hope and happiness!

Katie Crabapple is a wonderful writer. Her books are always short and sweet. This one was no exception. I loved it.
