Synopsis

This manual is geared toward the dental practice that wants to start billing medical insurance. Many procedures can be billed medically and many more will be in the future. The future is rapidly approaching. Part of this manual is an introduction on how to fill out a medicare form. This can be very tricky. Whether you participate or not, you still need to know how to submit this form properly.

Customer Reviews

Almost impossible to read with typos and formatting errors. It appears most alphabetic combinations including f and a vowel were removed. Very discouraging that the text was so poorly edited.

No good.
