Customer Reviews

I purchased this book in order to practice spanish with my kids. Being from Puerto Rico I am looking for any way I can to incorporate Spanish into our daily life. The books are well translated, the graphics are similar to the versions in English and the quality of the books the same as the series in English.

My boys are 8 and learning Spanish. They absolutely love series and really can't put the books down once they start. Highly recommend this series.

Easiest way to find a book requested by our 2nd grader's teacher.

very good book
