Customer Reviews

This is a complete book because contains everything what you need to know to be a successful Medical Assistant. The review on each chapter rates what you have learn.

I love my book and so did everyone in my class. I am in an electronic books only school, but being old school I love to have my actually books available. Thank you for the awesome service and savings in my pocket. Will be a returning customer.

Purchased used. Expected some wear possibly even highlighting. Not a mark on or in it. No wear what so ever. Absolutely wonderful.

Very good condition, Brand new no writing and good access code.

help my daughter graduate her class

this book was in great condition.

The correct book that I needed.

well taken care of worth it.
