Balún-Canán (Spanish Edition)

Synopsis

Novela que relata una serie de sucesos cotidianos que tienen lugar en un poblado chiapaneco cercano a Guatamela, Bal'ón-Can'ín. En medio de la tensión en que coexisten dos mundos opuestos -el del hombre blanco y del indio chontal- se mueven diversos personajes en cuya vida se refleja una lucha dramática y ancestral entre dos razas.

Customer Reviews

En esta hermosa novela, Rosario Castellanos nos relata la vida que llevo en la hermosa y colorida ciudad de Comitan de las Flores , Chiapas; El titulo de la obra es como se conocia a la ciudad en tiempos prehispanicos el cual significa "nueve estrellas", esta increible mujer narra sus sentimiento desde el punto de vista de una niña criada por una mujer tzetzal, la nana Rufina, viviendo las experiencias y puntos de vista del indigena mexicano. Una frase que se quedara grabada para siempre es -"...Y entonces, coléricos, nos desposeyeron, nos arrebataron lo que habíamos atesorado: la palabra, que es el arca de la memoria...".

This novel, written by one of Mexico's most famous modern poets, illustrates many of the issues present in Mexico after the revolution. The story follows the life of a young girl growing up in Chiapas after the revolution. The author writes poetry into her prose, combining the oral tradition with the politics surrounding the change of power, to create a subtle yet powerful novel about the changing face of Mexico.

Rosario Castellanos, one of Mexico's greatest writers, does a wonderful job of portraying life in ancient Chiapas. Specifically in Comitán, Rosario's hometown, and in Chactajal, which is a few miles off Comitán. Balún Canán (meaning '9 candles') is the name given by the ancient Mayan civilizations to Comitán. This novel is rich in historical significance, but also based on the author's personal daily experiences which makes this novel truly enjoyable. Rosario shares her life as a young girl alongside her nanny and her family. Both Rosario and her nanny narrate this story at certain points, allowing us readers to infer their opinions and views on certain problems and dilemmas, which refer to a hard time in the history of Mexico. A hard time concerning the rebellion of the Indian population, and the clear preoccupation of those who were their owners, the white population.

Gran trama situado a mediados de los años cuarenta en la frontera entre México y Guatemala y que retrata las costumbres de la época, los usos de todas las tierras y el mal trato a los indios y sus familias y la llegada del Presidente Cárdenas al poder. Muy bellamente escrito y documentado.

Rosario Castellanos captures your interest and drives you to the past when the "hacendados" owned the life and mind of indigenous peasants. Balún Canán is the cry of the oppressed against injustice and ignorance. A book of all times!!

Bellamente escrito, la historia fascinante. Ojalá ¡hubiera sido más largo el libro!
