Papaciencia (Spanish Edition)

Synopsis

Papaciencia is a useful guide for today's world in which parents must face new challenges and ever-changing roles: the new family reality. It is seen through the eyes of the father: a modern dad, one that is hands-on with the chores that before were split between mom and dad: changing diapers, giving advice, cooking, and working outside of the home. Felipe Viel understands that being a parent is an act of love and patience, and from the experiences raising his kids, he has gathered valuable lessons that he shares with knowledge, simplicity and a warm sense of humor. It is a book for parents interested in achieving an easy and flowing dialog and preparing their children for this fascinating world that they will be part of. This book is for:- Dads who have had to give up their sacred Happy Hour with friends for an evening of Happy Feet with their kids- Moms who wishes that husbands were more involved in the day-to-day upbringing- Parents who, in spite of being stressed and having fears about failure and changing roles, are willing to assume the challenges of raising children with honesty and love

Papaciencia. Guía práctica para dominar la paternidad, la ciencia que requiere más paciencia Papaciencia es una guía necesaria en el mundo actual en que los padres se enfrentan a nuevos desafíos y roles familiares cambiantes y más flexibles: la nueva realidad familiar. Papaciencia ofrece además el punto de vista del padre: un padre moderno, involucrado en las tareas que antes se repartían mamá y papá: cambiar pañales, aconsejar, cocinar con buena mano, y salir a trabajar. Felipe Viel entiende que ser padre es un oficio de amor y paciencia, y de su experiencia paternal ha rescatado lecciones valiosas que comparte aquí con sabiduría, sencillez y un cálido sentido del humor. Papaciencia es un libro para padres y madres interesados en resolver con éxito los problemas de hoy, como la irrupción de la tecnología en casa, una comunicación eficaz y cómo preparar a sus hijos para este mundo nuevo y fascinante que están heredando. Este libro es para tí - Si eres de los papás que ha tenido que cambiar su sagrado happy hour con los amigos por ver Happy Feet con sus hijos. - Si eres de las mamás que le gustaría que su esposo participara más en la crianza de los hijos. - Si eres de los papás y mamás que a pesar del cansancio, del miedo al fracaso y al cambio de roles, están dispuestos a asumir el reto de sacar adelante a los hijos con una inmensa cuota de honestidad y amor.
