Thoroughly enjoyed reading this book! Good characters, great story line, action and intrigue, all made this a very good book. Thank-you Mr. Ledbetter for another good read. Can't wait for next Alicia book and then next Matt Drake book!

The book was even more action packed than the previous Drake thrillers, highly recommended for action thriller fans. While the books can be read independently, it helps to read the entire series for background and perspective.

This was a joyride at a frenzied pace. I knew the janitor was going to show up again. Really liked the historical fiction of St. Germaine. Thank you DL for a great story. Can't wait to see what happens with the Drake triangle. Great job!

David Leadbeater has done it again! Another outstanding Matt Drake book, full of twists and turns. Loved the ending.....Can't wait for the next book!

I believe this was the best book in the Matt Drake series to date. Looking forward to the next one..

Never read a bad or even a mediocre book by David Leadbeater all are excellent, and The Treasures of Saint Germaine is one fine read, with action, intrigue and adventure .

The battle between good and evil continues to rage. Love the relationships between the characters too. This series is one you can't put down if you like action.
