A New Anthology Of Early Modern Spanish Theater: Play And Playtext

Synopsis

This anthology of plays from the Spanish Golden Age brings together the work of canonical writers, female writers who are rapidly achieving canonical status, and lesser-known writers who have recently gained critical attention. It contains the full text of fifteen plays; an introduction to each play with information about the author, the work, performance issues, and current criticism; and glosses with definitions of difficult words and concepts. The extensive bibliography provides opportunities for further research.
