## Customer Reviews

I'm not really sure what to think of this book. I think it has the potential to be a good book with an interesting story line, but it appears to be a "short". The right author could do so much with this! As it is, it needs work. I'm glad it was free. It was pretty sexually graphic, not for teens, in my opinion. And I feel like it "glorified" rape a little bit, which I didn't like. Maybe not glorified, but something. The main character felt he had done nothing wrong.

A selfish man thinks that "rough sex" is whatever he wants and "no" means keep going. The guy's a pig and he gets what he deserves but if he was as awful as stated why didn't any of the women press charges? I can't decide if he is a brutal rapist or a guy who likes rough sex with willing women. I discount Lisa since she seemed to be unbalanced.

The ending was not what I expect, but better. Had to take my time and read the last chapter again.

Great short story. Found a few typos, but it was well written. I enjoyed it.

Why if the book has 400 pgs. ,I have to read only 22pgs. I think the book sound so interesting,But even if it for free ,I'm not download,mysterious!!!!!!!!!!
