This book lets you enter the Kingdom of Frezzia and makes you feel as if you are royalty yourself. The description of the architecture alone is detailed and depicts a picture. The characters dialogue sounds so real and I loved the story that he tells, this author truly has a lot of talent and I can't wait to read more from Tony Pereda! - Madeline

This book was a beautiful surprise. I was not expecting to be captivated by the characters and the misteries surrounding the kingdom of Frezzia. The author describes every single detail about the characters and architecture in a way that makes you feel you are part of the story. Definitely a must read!

Lovely book, need to be read over and over to uncover the depths of this meaning of this book. Æœ ‘ Æ>
