Under His Control (For His Pleasure, Book 18)

Synopsis

For His Pleasure is a New York Times and USA Today bestselling series, and with each new book, the romance only gets hotter. And now, the story continues with book 18... Twenty-two year old Kennedy Saunders is running away from her old life at MIT, and running towards a new life in New York City. A new life working for Red Jameson--and hopefully much more than that. Because Kennedy isn't just some random girl trying to break into the advertising business. She's someone who has a connection to Red and Nicole, and she's determined to get closer to them, at any cost. But Kennedy is shocked when, instead of working for Red Jameson, she finds herself at the beck and call of Red's new Chief Operating Officer, Easton Rather. And Easton is not impressed with Kennedy's high IQ, her ivy league background, or anything else. But he does want something from her. Something that might just cost Kennedy everything, and force her to reveal secrets that will throw everyone's lives into chaos.

Customer Reviews

Genre: Contemporary Romance
Characters: I thought that Easton could potentially be my favorite of this series but now I'm not entirely sure. He is so hot and cold I think I will go back to Bryan

and Scarlett. Kennedy Sanders seems to rely more on her beauty than her brains in this book â “ she seems to play hard to get with Easton but then serves herself on a silver platter. I want to ask her where her self-respect is but then again I am not even close to being a submissive. We find out more why she ran away from her predictable, boring life to NYC. Easton Rather puts his job before a relationship with Kennedy. Fair. He doesnâ™t know her. Then the tables turn and Easton pursues Kennedy. You get an insight to how a relationship between the two of them would be. It makes me wonder if Easton will drop his alpha-Dom wall a little to let baby bird Kennedy in. Kennedyâ™s neighbor is putting the moves on her left and right and itâ™s kind of turned a little creepy towards the end. I wonder if Easton will have to put his boxing skills to use in Book 19. Writing Style (POV): This book is written in Kennedyâ™s present day POV. Background: The waters are rocky between Nicole and Kennedy and Kennedy and Easton throughout this book. I wonder if this is actually the calm before the upcoming storm or if they are in the storm now. Itâ™s hard to tell. Nicole admonishes Kennedy for her secretive behavior and pushes her out of her life â for now. Easton is angered that Kennedy â usedâ™ him and pushes her away â also for now. There are breaks in his exterior but he still has thick walls that will need to be broken down. Cliffhanger? HEA? There will always be a cliffhanger in all of Kelly Favorâ™s books followed by a HEA, so come to expect that.
